

# LENCO BEARCAT TACTICAL ARMORED VEHICLE

Lenco BearCats are being used everyday by the nation's toughest SWAT and Spec Ops Teams. They have taken assault fire in the field; bullets have bounced off and lives have been saved. Lenco is a proud supplier to the DOD, US Armed Forces, the Dept of Energy, and the US State Dept. Our vehicles are in Cities, on Bases and in-Theater; Protecting Our Nation's Defenders and First Responders.
